**Manhole Cover, Frames & Gully traps for Ancillary Building-- Riyadh Foundry**  
**(Material Submittal) JA-MR-M-ST-071.1Rev. 00**

In response to ESEC Submittal Ref# JA-MR-M-ST-071.1Rev. 00 received on 7<sup>th</sup> of Aug 2017 pertaining to the Manhole Cover, Frames & Gully traps for Ancillary Building-- Riyadh Foundry (Material Submittal) for site SB, S10 and S11 (JAZAN A) please be advised that the submittal has been reviewed and given the Status "B" Approved as Noted with the following comments:

1. Proposed Catch Basin covers of Class C250 shall be used in car parks, forecourts, and areas with slow moving traffic also in highway locations up to 500 mm from Kerb edge. Minimum Class D400 shall be used for hard shoulders and parking areas, for all types of road vehicles.
2. The type & quantities of Manhole covers shall be installed as per project specifications and approved shop drawings.
3. The GOSI, Chamber of Commerce, & Industry certificates should be updated before the supply of material at site.
4. ESEC shall provide a schedule for delivery to site to insure that the time required for producing and delivering the material to site meets the approved project schedule without causing delay.
5. The material samples should be provided for each material and type of work as per project specification.
6. ESEC is responsible for ensuring that all provided information comply with relevant agencies regulation and codes.

**Note:**

As per MOI Letter Ref. 6527 dated 14/07/1437 H, Contractors have to adhere to the following:

- A. Contractors should submit three (03) Suppliers and Manufactures per each material or equipment, as per Contract Particular Conditions Clause# (07) and Clause # (30) Item [30.2].
- B. Local Manufacturers have the priority and shall prevail, as per Contract General Conditions Clause # (12) Items [12.2.1] and Ministerial Decree no. 41559 dated 6/4/1435 H.
- C. Each Material should be supplied to each site by One Manufacturer/Supplier only.

**Disclaimer:** This conditional approval will be subjected to verification for compliance with the above comments and all relevant terms and conditions of the contract. This code 'B' approval does not relieve the contractor of **ANY** obligation under the contract and is independent of any future review and submitted approved design

This is for your information and relevant action.
